2011 Cobham Business Directory

Welcome to the seventh edition of the Cobham Business Directory.

The central portion of the *Cobham Business Directory* contains an alpha listing of local companies sorted by trade or profession. As always, a listing in bold type also indicates the page number on which an advertisement can be found for that particular company.

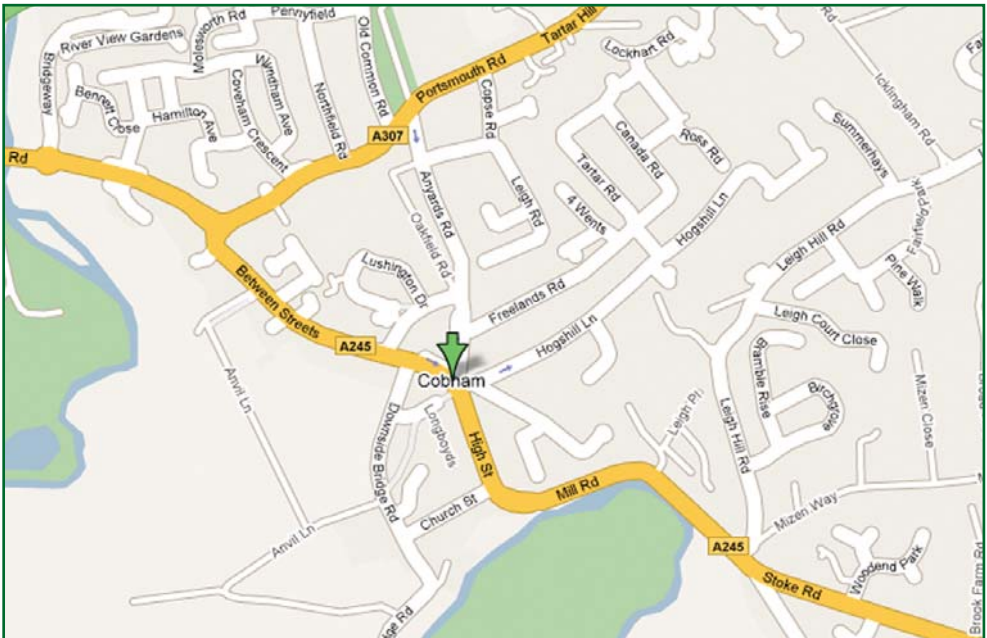

We would like to thank all those who advertise within this publication, and particularly *Ellis & Thompson, Optometrists*, for their kind and generous sponsorship: thank you.

Could we ask that, when contacting any of the companies listed in the following pages, you mention the *Cobham Business Directory*?

APW

Exclusively Lettings

APW ~ Celebrating 25 Years of Excellence

As APW celebrates 25 years of successful trading in 2011 we ask the Cobham and Esher Branch Managers to explain how APW remains the leader in its field.

*Natasha Howard
APW Cobham
Branch Manager*

"APW is focused 100% on Lettings and Property Management and is aware that in a market where most agents are stretching their resources to offer Sales, Mortgages, Insurance Deals and more, APW has something very special to boast about.

Often clients claiming exclusivity to lettings have sales properties on their websites and cannot offer the same amount of dedication as APW.

We believe in tailoring our services to the individual needs of each Landlord and can do so as we have both the time and the staff to ensure that each client is given the personal treatment that they deserve. We are proud to say that over 70% of our business comes from recommendation."

"I received a totally flawless service from the time I first contacted APW through to the Tenant occupying. It is exceptional and refreshing to find a company that does exactly what it says. I am massively impressed by your organisation."

MF Landlord

"APW prides itself on its in-house management service which is, quite literally, second to none. Each property is appointed its own property manager; this person knows your house and meets your

Tenant. Many other agents run a centralised impersonal call-centre style management service, but at APW we know how important it is for you to speak to the same person – someone who knows you and your home."

*Jamie Wheatley
APW Esher & Weybridge
Branch Manager*

"After almost 25 years, we do look upon all you helpful people at APW as friends. We wanted to thank you all very much for your help and support over the recent decades. Your advice has always been informed and ever useful during this time."

"APW is committed to having a highly trained and motivated team. ARLA (Association of Residential Letting Agents) licensed members of staff are employed in each of our offices and are available to the public at all times to offer expert advice."

"Finally, I want to say thank you and offer my sincere appreciation to you and your colleagues. I think one of the key reasons we stayed in this property so long (8 years) is because of your extremely professional style and caring attitude towards us."
